Address _____ City _____ State _____ Zip Code _____

Note: All Electrical connections must be made by PDR to conform with electrical code. Wall outlets, post or floor outlets are Not a part of booth space. All booths are individually checked during show to determine usage of power. Exhibitors found using power without an order prior to show are subject to 2 times the normal rate for outlets used. As per NEC Code, all cords must be 3-wire grounded. (No 2-wire zip cords) All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, must be grounded. PDR recommends you provide a surge protector for electronic equipment in case of power outages or brownouts. PDR does not assume any liability for any damage or loss whatsoever to any equipment or services arising from any cause whatsoever. Any cancellation of this order must be made at least two weeks prior to actual date of event to be eligible for any refund.
